What type of guys does Dakota Brookes like to date? "I like solitary men. Men who don't mind spending time alone," Dakota explains, pulling aside her frilly panties and showing off her pink. "I like truck drivers, oil rig workers, and guys out in the middle of nowhere doing manly work. The thought of going out to some remote frontier location and sexually servicing all the hard-working men turns me on immensely." The thought of you getting banged by dirty oil-rig workers turns us on too, Dakota.

I was surprised that when I finally told my boyfriend that I wanted to fuck a girl, that he was okay with it. I assured him it would not affect our love life, but also, he couldn't join. After he got over it, I called Holly and we got together. I found out that I really do like licking pussy and having mine licked. Holly is a great lover and I still am fucking my boyfriend who has not joined us - yet!

i fuck for tips

I had to write this story to tell the world about it! It started off so ordinary enough... me waiting tables on a Saturday night at a downtown hotspot. Some people are pissed about working weekends, but not me. For one, I make boatloads of cash, and for another, everyone comes in dressed to the nines ready to party...

I had worked very hard all weekend, even bussing my own tables because we were so busy. The customers came and went in a blur. The aromas of the foods all blended together, like one big feast I could not have. But that's okay, I take my job seriously and think I'm pretty good at it. Towards the end of my shift I came back from the kitchen and saw a secluded table of mine had just been seated with two very attractive older women. Both were done up nicely, proudly displaying more jewelry than a rapper... and some ample cleavage. I see this a lot, so at first I didn't think anything of it – just a couple of rich ladies out on the town. I approached the table to begin my routine, and before I could open my mouth one of the ladies said, "Hey – you sure are cute," to which her friend replied, "Yeah! We should take him home with us and teach him a thing or two!"

I was caught totally off guard, laughing it off as playful banter as I explained the specials and took their drink

orders. Then, drink orders in hand, I turned to walk to the bar and as I did so, one of the ladies slapped my ass and winked at me. Amused, I figured they'd be out partying all night and were grabbing a late dinner. When I returned to the table, the ladies were laughing and making quite a bit of noise. However, upon my approach they suddenly became quiet.

I set down the second drink, and one cleared her throat, looked me dead in the eye and said, "Thanks for the drinks. Now we want to see what's in there," firmly patting me on the front of my pants. "Yes," echoed her friend, "Surely you've got a little spare time for us."

Then she leaned over the table and gave her friend a wet kiss on the mouth, a kiss that lasted quite some time and clearly stated that these ladies were serious. A kiss that was meant for me to see and drool over. Which I did. I felt my cock begin to stiffen beneath my pants and apron, simultaneously feeling a bit em-

barrased and totally aroused. I coughed nervously and looked around my section – everyone was busy eating their dinners so that meant I had some time.

In a flash, I made a decision. “Let’s go,” I said, and the ladies smiled at each other and stood up to follow me. I led them through the restaurant to the handicapped bathroom, set off somewhat from the other bathrooms and opened the door. I don’t think anyone saw us, as the ladies followed me inside. One closed and locked the door behind us while her friend pushed me hard up against the wall and shoved her long, wet tongue in my mouth.

“I’m Paula, and she’s Jolie,” she mouthed as her hand reached down and unzipped my pants. As her hand made it’s way inside my fly, Jolie was undoing her top, her full tits spilling out gloriously. Her tongue now darting in and out of me ear. Paula latched onto my cock, pulled it out, and quickly stroked it to full hardness. I reached a hand inside her blouse and grabbed one of her mature boobs.

Jolie, now braless and with her impressive nipples rock hard, presses her tits into my side and stuck her tongue into my other ear. Her hand reached down and undid my pants. Paula paused her handy cockwork just long enough for Jolie to pull my pants and boxers down. Then both ladies dropped to their knees, and Jolie and both ran their tongues all over my rock hard prick, taking turns popping my head into their hot, eager mouths. I could only lean back stiffly against the wall and let them do their thing.

For a moment I wondered about my tables, but ceased to when Paula took my cock all the way into her mouth, bobbing up and down and sucking slightly. With one hand, Jolie undid a few buttons on Paula’s blouse, while her other hand cradled my balls. Simultaneously, Jolie and I each grabbed one of Paula’s boobs and freed it from her bra. I was just beginning to tweak Paula’s nipple when I felt my cock slide all the way down her throat. I shuddered as my pleasure meter pinged on high.

Paula popped my cock out of her mouth and said, “Your turn,” as she turned to Jolie and gave her a kiss, cupping Jolie’s juicy boobs.

Jolie grabbed my cock, wet with Paula’s saliva, and started jerking me off while she and Paula continued their kiss. Then they split off their lip-lock and Paula went to her purse and pulled out a handkerchief. I watched her go over to the sink as Jolie kept up her expert cocksucking. Paula turned on the water and soaked her hanky, wringing it a couple times. She came back and told be to turn around, so I was facing the wall. Jolie backed up against the wall and squatted back down in front of me. She quickly gobbled my cock back into her mouth and reached behind me, grabbed my ass cheeks and pulled them apart.

I was shocked. Paula moved in with her damp hanky and ran it down between my butt cheeks. Then she too dropped to her knees and nestled her tongue back there. I was in a trance. I reached out both arms to brace myself against the wall as each lady was doing

i fuck for tips

their thing to me. I couldn't tell which sensation to concentrate on. They were both amazing, but somehow I got the feeling that they had done this sort of coordinated thing before. It's just that this time I was the lucky recipient.

FUCK! For a minute I had forgotten all about work. Quickly I started pulling up my pants, praying that my customers were alright and that I hadn't been given any more tables. I looked at the ladies who were fixing themselves up as if to say, "I need to go."

As I focused on Jolie's mouth, I took one hand off the wall and cupped the back of her head and pushed my cock in deep. She took every inch without even a small gag. I fucked it a few times and Paula shoved a finger into my anus. I moaned and shot a huge load into Jolie's warm mouth.

Jolie took it all, emphasizing her swallow with a big gulp. Paula wiggled her finger in my ass as if to point out that it was what made me cum, and she was probably right. I have one had a finger in my ass a couple times, from an old girlfriend, and that took me three years to let happen.

"Was that good?" asked Paula, standing up in back of me. Her hand had moved under me and she was playing with my balls, twirling them in her hand. All I could wonder is how these ladies can be so horny and so forward. By now, Jolie had stood up and Paula moved around front and the two kissed and then pulled me in for a threeway smooch. We finally broke the embrace and I caught my breath. "Someone in here should probably get back to work." said a tired Jolie, playfully.

Leaving them to finish putting their clothes back on and cleaning up, I rushed out the door the bathroom. To my relief all my tables were still enjoying their late night meals, their conversations relaxed and joyful. I went to get a glass of water, and then came back to Jolie and Paula's table at which they were now seated.

"What time do you get off?" asked Paula with a wink at her double entendre..

"Usually about 2:00 a.m." I answered.

"That was fun. We want to see where this can go," said Jolie and handed me a business card.

Then, she and Paula stood up. Paula pulled a \$100 bill out of her wallet and dropped it on the table. Both women leaned in and kissed me on the cheek, Paula patting my cock again. I looked down at the card. On the back side was written a phone number and an address. I smiled as I watched them walk away, and put the card in my pocket. I asked my boss if I could go home a little early, and he said okay. I thought I should shower and clean myself carefully.

what's love got to do with it?

I'm a sunshine girl. I love everything outdoors including sex. I look for quiet secluded places where I can take some dude and get off. There's nothing like a lakeside tryst with a big cock poking all the right holes. I've burned my butt many a time, but all worth it.

A full-page photograph of Sophie Dee. She is standing under a shower, wearing a shiny gold one-piece swimsuit and high-heeled sandals with blue beads. She is looking towards the camera. The background is a lush green garden.

Sophie says she's been celibate for the past six months and she's about ready to explode! "I swore off sex thinking it would help clear my head, but it's just making me more and more frustrated," she explains. Hey, Sophie, what are you fishing around for inside your panties, a magical bean? "I'm a masturbation freak. I play with myself all day long. I swore off sex, but I didn't say I'd stop cumming!" Makes perfect sense to us.

GIRL NEXT DOOR

Teagan

Teagan's a little bit shy and quite quiet. She admits she's not very interesting and usually doesn't have anything to say. But when we put her in front of the camera, it's like the spotlights came on and she was on stage. She surprised us when she had no problem sucking and fucking a big hard one. But she is also so adorable and fun and the kind of girl you would want to marry.

Trixxxie

"I think kissing is the best way to get sex started. There's nothing sexier or a bigger turn on than a guy who knows how to kiss. If he's a good kisser and patient with me, I just might let him kiss me a little down lower." Trixxxie has had a rough time meeting the right guy. She thinks they are all after her body. "I can get wet just by good kissing. When I'm ready, dripping wet and can't wait for it any longer, I'll grab the guy's cock and stick it into my pussy. He'll know that I want him to fuck me hard and I'll fuck him hard back."

Georgia

"The best sex I've had was after I got married. My ex was a bit of a nerd, tall and thin, but he had a ten inch cock that made up for everything – at least for a while. Since the divorce, I've mustered the confidence to go after the men I want. Now I'm the one on the prowl looking for a boy toy I can play with. I want them young and hung. My ex has spoiled me for big cocks. I'm only 5' 3" so a big cock sure feels even bigger! Especially when it's in my tight little Southern butt hole!

nothing more beautiful than a rainy day

Cassidy and I hadn't seen each other much since she left for college three years ago. We graduated high school together; I went to work full-time at a daycare center here in the city, and she went off to study acting. Cassidy had come home from time to time, but most of the time we'd miss each other.

We connected on the phone yesterday and said we'd get together today. We had only planned to walk to the mall, but ended up near the park that we spent a lot of time playing in as girls. In the park I spotted the small hillside we used to play on; Cassidy spotted the rain clouds overhead. I persuaded her to ignore them and race me to the tree on top of the hill like we used to do. She would always win, so I snatched off my sandals and took off running before she really agreed. It was about a hundred yards from the road to the tree.

Cassidy caught up and passed me just as we reached the foot of the hill. At the top she proclaimed her dominance over me, again! I was too exhausted to argue. I laid back to catch my breath, as Cassidy talked about how much

she misses this place sometimes. I said I never thought I'd hear her say she missed the city the way by the way she dreamed about getting out of here.

I sat up and started waving the bottom of my short sun dress up and down to cool myself off. Cassidy looked over and a strange

expression came across her face. She kinda stared for a moment, then went down to play in the raindrops that started falling. I wondered what that strange look was about. It was like her eyes locked on me, like she was shocked that I wasn't wearing panties. She and I had discovered the freedom of going without them a couple years ago.

Plus, we had seen each other's naked body plenty of times – in the locker room after gym class, getting ready to go out on dates. We had even gone skinny dipping at the pond together with the Adams twins one time (that was the night we both lost our virginity). Maybe she thought I had stopped not wearing panties (which I will never do), but today was hot and really humid and I needed air circulating down there.

Cassidy came back up and pulled me into the rain with her. We chased each other and laughed about all the games we used to play. I watched her run and turn cartwheels, then I ran and turned a couple of cartwheels myself, but I don't think anyone would call either of ours cartwheels. Suddenly, Cassidy stopped playing.

Cassidy came back up and pulled me into the rain with her. We chased each other and laughed about all the games we used to play.

She kind of walked solemnly back up the hill. I stood there confused for a moment, then went up after her. I asked her if everything was all right.

She nodded her head and said she was just tripping on how much some things have changed. She had on a white t-shirt, which was clinging to her from the rain. I noticed and asked about the tattoo just above the cup of her bra. She told me what it was, and I said I couldn't see it that clearly. She looked at me, then took her left arm out of the sleeve and lifted the shirt over her head. I leaned closer to look at the detail and asked her if it hurt.

Cassidy didn't say anything, but her hand started sliding up my arm. I got a weird feeling, and just froze right there. Her hand slid over my shoulder across my neck to my chin. She lifted my head and started gently kissing my face. Maybe it was all the different scents floating around us – her wet body, the sweet rain dripping on us through the leaves, the country field – or maybe it was the double taboo of this being a girl and a long-time friend, but that weird feeling was getting stronger. I shifted my head so that our lips touched. After a few soft

pecks our tongues met, tentatively then passionately. I was able to define that weird feeling. I was turned on.

Her mouth was warm and moist unlike any man's I had kissed, but there was something delicious to me about her tongue. Part of me wanted to end this and forget it happened, and part of me wanted much more. My boyfriend said he liked the adventurous side of me. I liked using different toys, oils and jellies. I had seen lesbian sex scenes in videos, but actually being with another wom-

an was something I never really thought about doing. Regardless of all that, Cassidy had me so hot I didn't want to think about anything else.

Cassidy broke the kiss and looked at me; first my face, then my whole body. I asked her if anything was wrong. She asked if I knew what I was doing. I said no, and put my hand on her breast. I had never held or touched anybody's breast but my own; Cassidy's were two cup sizes bigger. She took her t-shirt the rest of the way off, showing off her athletic shoulders. I could really only feel the satin of her bra, so I opened the front clasp and pushed it off her shoulders.

I cupped her left breast in my left hand, it was warm and full. Her nipple was getting hard, so I leaned down and kissed it. She let out some soft oohs, and ran her hand over my leg. I love it when my nipples are sucked, so I sucked hers. Cassidy started clutching my leg. The harder I sucked the harder she clutched. Then she let go and took my dress straps off of my shoulders. I sat up and helped her take my dress completely off, exposing my slender body to her in an open field with rain falling around and on us.

I had seen lesbian sex scenes in videos, but actually being with another woman was something I never really thought about doing.

She leaned over and licked my breasts and nipples, eventually taking one then the other completely into her mouth. The feeling that washed over me from the way her tongue slid over them was in there was incredible. In a strange way, I didn't want it to ever stop. It was not like my boyfriend, a whole new feeling for me.

She sat up and we started kissing again. Cassidy held me close to her, pressing our breasts together. I tightened my arms around her, and she started kissing my neck and chest. Her hand slid down my back, found my leg and made its way up my thigh. I turned my body, and opened my legs to give her access to my wet pussy.

Her fingers played around my labia for awhile, then found my clit. I was glad her mouth was over mine, because the squeal I let out would have surely been able to be heard back in town. She pulled her lips away to watch my reaction to the light circles her fingertips were making around my protruding clit. She kept making them faster and faster until my body trembled from an orgasm.

Cassidy smiled and laid me back so she could straddle me. She put her tongue in my mouth and started kissing her way down. I

could feel her hard nipples dragging along my body along the way, which tickled me. She finally reached my clit, and I was on my way again.

Her tongue explored inside me as she sucked my clit and let a finger find its way into my pussy. She slid another finger in and let them play around. The thrusts of her fingers and the pressure of her mouth sent another strong orgasm through me. That was two quick and quiet ones within ten minutes.

She sat up, smiling again, and

asked if I was okay. I nodded yes. When I caught my breath I asked if she wanted me to go down on her. She said not yet, and went to the bottom of the hill to stand in the rain - still topless. I walked up behind her and pressed my naked body into her back. The cool rain and her warm flesh felt good to me. I rested my chin on her shoulder and rubbed my hands over her.

I walked around to face her so that our breasts touched again. We started kissing, and I started unfastening her jean shorts. I unzipped them and slid my hand inside - it was strange not feeling a dick. She pulled my hand out and broke the kiss. I told her I wanted to, which I did. She said not yet again, then dug her own hand inside her shorts. She brought her hand out and put two wet fingers in front of my mouth. I sucked on them, until she slid them out and said we had all summer.

We went back up the hill and sat in each others arms, talking and caressing. She described her first sexual experience with a girl at college and said she decided that she was bisexual. When the rain stopped we got dressed and walked back, with me hoping this would be one of those long, hot summers.

Her hand slid down my back, found my leg and made its way up my thigh. I turned my body, and opened my legs to give her access to my wet pussy...
